

**Deep Knowledge Group** is a consortium of commercial and non-profit organizations active on many fronts in the realm of DeepTech and Frontier Technologie (AI, Longevity, FinTech, GovTech, InvestTech), ranging from scientific research to investment, entrepreneurship, analytics, media, philanthropy and more. The Group conducts a range of activities in the GCC and considers the Gulf region to be of particular importance for its corporate development roadmap and strategic agenda for 2022-2025.

## Gulf Region Longevity Hub Initiative

**Gulf Longevity Initiative** is a leading Longevity Policy Hub and Think Tank concept, aiming to leverage the regional strengths and potentials of GCC countries in order to turn Gulf ecosystem into a world-leading Longevity Hub.

Initiative seeks to unite the resources of several Gulf countries towards the shared goal of concerted Longevity Industrialization.

### Initiative's Levels of Adoption

Local Initiatives

Regional Initiatives

International Hub

## Strategic Goals of the Project

Uniting the resources of several Gulf countries towards optimization and extension of healthy ageing of population

Enabling the population to age better through the synthesis of early disease detection and preventive medicine

Combining the industrial assets of Gulf countries to provide all the resources for maintaining an internationally competitive position within the Global Longevity Industry

## Partnership with Sharjah Research Technology & Innovation Park

مجمع الشارقة للبحوث  
والتكنولوجيا والابتكار  
Sharjah Research Technology  
and Innovation Park

In 2021, **Sharjah Research Technology & Innovation Park** and **Deep Knowledge Group**, have announced a strategic partnership aimed at development of the Longevity Industry in the Sharjah.

The joint effort aims to identify the driving forces behind the Longevity Industry and healthy ageing, and ultimately devise an action plan for governmental entities. Partnership enables to establish and advance Longevity development agenda across all relevant decision-makers and institutional stakeholders.

## Key Focus Areas of Partnership

Developing comprehensive stakeholder engagement, identifying major drivers of the industry across the country

Mapping the Longevity Industry in the UAE

Developing robust national Longevity policies to maximize the health and wealth of the nation

Fostering knowledge of relevant sectors locally and internationally
