Longevity Card Benefits

Access to a **highly diverse marketplace of products and services** across the entire scope of Longevity, Wellness and Healthy Living (all the way from healthspan to wealthspan).

Targeted real-time recommendations on local and global products and service providers best-suited to help achieve and surpass their current Longevity Goals.

Discounts on Marketplace purchases obtainable through **Longevity Reward Points** that are generated every time they use their Longevity Card.

AI-driven personalized health recommendations and suggestions, based on biomarker analysis, the results of a comprehensive diagnosis of the client's health status, on how to promote and maintain a healthy lifestyle and slow ageing.

Longevity Bank's mobile app uses **AI assistants to provide daily targeted recommendations** to Longevity Cardholders on ways that they can optimize their personal Healthy Longevity across its full scope – all the way from **healthspan to wealthspan**.

The Longevity Card Mobile App utilizes **AI-driven smart-matching** in order to suggest relevant products, services and tools from the Longevity Marketplace available online and physically (within their area of residence) based on each client's unique profile, including their current:

- **Physical health, evaluated by in-depth biomarker analysis**
- **Mental health**
- **Financial status**
- **Language**
- **Location**

Example recommendations include: healthy food restaurants, progressive sport centers, supplement shops, personalized and precision health clinics, insurance companies providing the best modern InsurTech solutions, etc.
