

Longevity Card is the new way to lead a healthy lifestyle and manage your money in one secure app.

We are on a mission to make the mobile experience easier and safer for people of all ages by developing new features in combination with cutting-edge HealthTech, AgeTech and FinTech designed for users who are planning to live healthy, extra-long lives and remain financially stable.

## Money Management

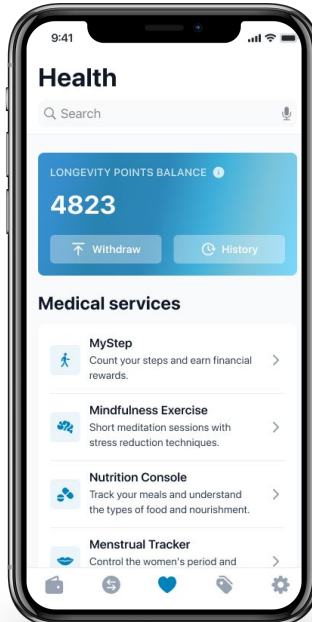

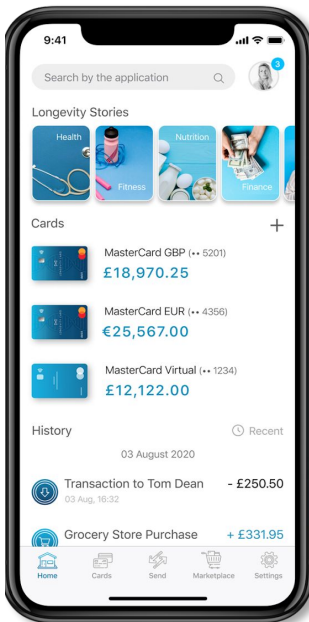

Revolutionising how people interact with their finances. We provide traditional 'transact, transfer' features in a way that's easily available to everyone, while also promoting digital rights and inclusivity of our users.

## Digital Wellbeing

Full-stack experience to improve health & longevity. Track your progress with fitness wearables, explore mindfulness techniques, participate in inspiring challenges, and get rewards for achieving health goals.

## Longevity Marketplace

Access exclusive offers and rewards on the top leading health, longevity, and wellness brands. We feature only scientifically and technically validated vendors, giving access to products & services with proven results in life extension.
