Longevity Membership Card Features

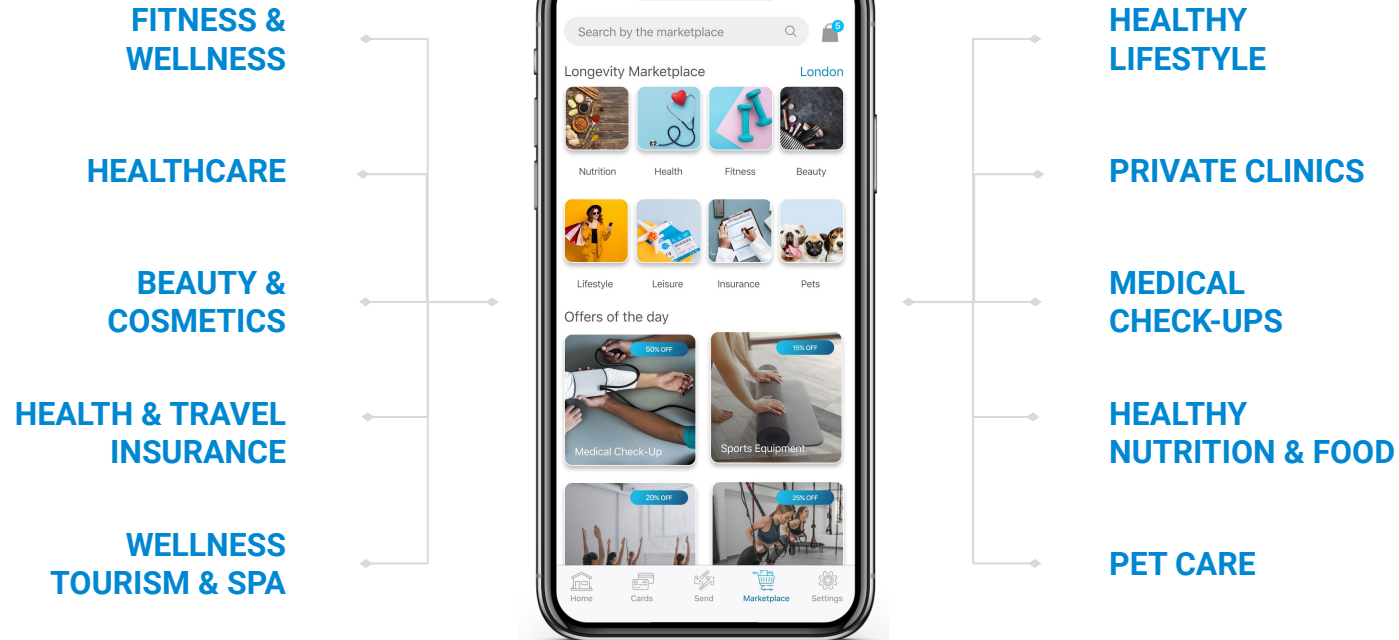

Longevity Marketplace

Longevity Marketplace offers the world's best longevity products and services, exclusively featuring scientifically and technically validated vendors. Products and services will be provided in form of recommendations, based on the questionnaire and digital avatar which contain detailed information about the health, lifestyle and daily habits of patients.

Longevity Marketplace Categories

Products on the **Longevity Marketplace** are provided in the form of a general list with different categories. Clients may choose a specific one and view all goods related to this category. Then select a particular product and buy it using Longevity Card.

AI-Driven Big Data Analytics System and Dashboards

Longevity Club Members get access to deep investment and data science insights on the private and public markets via customized IT platforms:

- Five dashboards for the Longevity & BioTech Industry
- Seven dashboards for the DeepTech Industry
