Swiss Longevity Valley Summary

Deep Knowledge Group is an international consortium of commercial and non-profit organisations active on many fronts in the realm of DeepTech and Frontier Technologies (AI, Longevity, FinTech, GovTech, InvestTech), ranging from scientific research to investment, entrepreneurship, analytics, media, philanthropy, and more. Deep Knowledge Group considers its analytical subsidiaries among its most precious assets, as it allows it to carry out qualitative analysis of a broader range of markets without loss of in-depth-class expertise.
